

# Sarah's Secret:

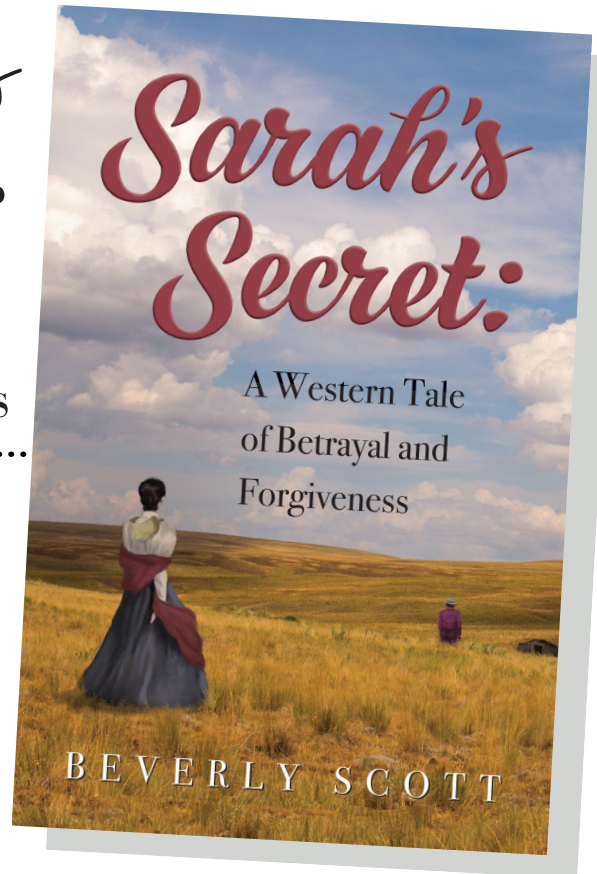

A Western Tale of  
Betrayal and Forgiveness

B E V E R L Y   S C O T T

***Follow the paths of Sarah and Sam as they tell their stories of trust, secrets, and betrayal in the old West.***

Their pioneer spirit helped to fuel the expansion into the Western territories of the United States. The two are historically on their separate journeys, yet they remain intimately connected. Through the fictionalized Western frontier tale of Sam and Sarah, the author, Beverly Scott, was inspired to reveal rumored secrets from her family history.

In the 1880's, Sam, who is irresponsible, lonely and untrustworthy has abandoned those he loves until he seeks redemption and marries Sarah. After Sam's death in 1911, Sarah struggles to find the inner strength to cope with loneliness, poverty, and illness, and support her children. After a perilous journey by wagon from New Mexico to Nebraska, she learns of Sam's betrayal. Will Sarah find forgiveness in her heart and the resolve to accept her new life alone?

**ABOUT THE AUTHOR: Beverly Scott.** After winding down her organization consulting career, Bev began a genealogical journey to learn more about her paternal grandparents, and confirm a whispered family secret. She concluded the story needed to be fiction using the known facts as her framework. *Sarah's Secret: A Western Tale of Betrayal and Forgiveness* is her debut novel. Her previous work was focused on non-fiction. She blogs at "The Writing Life" on [www.bevscott.com](http://www.bevscott.com) and as a guest blogger on other sites.
